

# cover sports betting

After voters approved a measure to bring sports betting to the state in November 2020, the rollout took some time.

For more information on other states, browse our comprehensive section on legal US sports betting.

Since November 23, 2022, online sports betting has launched in Maryland. However, recent polls have suggested that a majority of voters in Maryland will support the bill when they get the chance.

The Baltimore Ravens have enjoyed quite a lot of success in their short existence.

Of the seven legal online sportsbooks in Maryland, there's a collection of risk-free bet and deposit bonus welcome offers, but none include a no-deposit component.
