Canva is very simple to use, even for us tech idiots! The free version will also automatically save all your designs for later access. The size of the cover won't just be 12 x 9 however, since it includes extra space around the edges, called the trim, and for the spine. There is a program called Bookow that has a calculator for page sizes specifically for KDP books. Leave the paper type as white and skip the next two blank boxes. Enter your email address and confirm it and they will send the files for the template to your email.

Next, click on text and add text for the title of the book. This can just be "Journal," "Notebook," etc. You can also click on elements to select a shape, such as a box you can put your text in to make it stand out more from the background. The top ribbon lets you change the font, and the color of the text, or make it bold, italics, etc. When you're happy with your cover, download it as a pdf print file and save it.

Permanent Committee for Academic Research and Ifta'.

End quote.

"

What is meant is that there should be no prizes except for archery contests or races with camels and horses.

We should point out that what we mean by horse races and archery contests that are permissible is where two people race one another on their horses, or they compete to see whose arrow will hit the target, and not betting on which of the contestants will win.

And Allah knows best.
