

# bets football

Sports Betting Dime has been helping fans and bettors navigate challenges and find success for years, with all the critical information they need to bet confidently on any matchup.

As sports betting becomes legal in more and more areas, we are there and keeping tabs on the latest developments.

NJ sports betting and Pennsylvania were two of the first states to launch with

Michigan sports betting and online betting in Virginia going live in the beginning

of 2021, and betting in Arizona launching just ahead of NFL kickoff.

BetMGM NY and PointsBet New York will also be launching in the state shortly.

As well as Kansas online sports betting set to go live for this NFL season.

Our editorial team publishes the latest news, tips, and pre-game betting analysis.
