Remember they have a record of your wins/losses/deposits/withdrawals, so whenever you are losing big time they are going to be helpful and whenever you had a recent payout this company will do everything they can to not give you any sort of bonus or benefits.

They did close the account, however as of July 9th when my addiction took over, they reinstated my account upon questions without any hesitation, keep that in mind.

They do have supervisors who you can never get hold off, for example Jake Simons, I tried bring this to their attention that I lost another \$5k after asking the

Please remember this site is a part of Betonline.

On top of this, their agents or super confused, inconsistent and remember their

favorite words are "System won't allow" and "Hands are tied"; I am not sure it is the agents themselves or their so called "Supervisors" making these comments.

BetUS is an established and highly-reputable online sports betting platform for

the North American market, although the platform's reputation has been flawless ever since its foundation in 1994.

BetUS features multiple payment levels, including Visa, Mastercard, and multiple

cryptocurrencies, like Bitcoin, Ethereum, Bitcoin Cash, Litecoin, and alike.

For the last six years, it has operated without a license, but that still did n

ot affect its quality or performance.
