Use them as a guide when placing bets on games or to help you narrow down a list of matches for your accumulators.

Our 1X2 Betting Tips allow you to quickly see what our professional football betting tips algorithm thinks the outcome will be of all matches taking place today and tomorrow around the world.

- If the tip is showing X, this denotes that the algorithm believes that this game is going to end in a draw after 90 minutes so you should look to place your bet on the Draw marketing in the Full-Time Result options.

In short it means that this game will NOT be a draw.

To back this option you would select the 'X' option in the Double Chance market.
