Given the increasing number of betting apps that are available to punters today, it is not easy to decide which is best for you.

Ultimately, you should only download a betting app if it features sports that you are interested in.

Some brands offer additional features such as early cashout, bet builders, video streams for certain sports events, bet insurance, loyalty rewards, and more on their mobile sportsbook platform.

Bear in mind that these bonuses will usually involve wagering requirements before you can claim them.

Keep in mind the bonus bet expiry date as you take advantage of such offers. gamstop.
