College football betting isn't far behind the NFL when it comes to popularity at sportsbooks across the United States and Canada, and many new bettors are looking to learn how to bet on college football.

This means that the Crimson Tide can either win the game outright or lose by 2 or fewer points to cover the spread.

Team Odds Alabama Crimson Tide +133 Georgia Bulldogs -151

But remember, your money will be tied up for the entire length of the season, so take that into account when considering your college football bankroll.

Bet the spread and Over/Under totals on the 2021-22 NCAAF season for the chance to win cash and prizes.
